PATENT
Attorney Docket No.: REGEN1250-7

II. REMARKS

The application filed herewith is a Divisional of U.S. Serial No. 09/575,847 filed May 19, 2000. Upon entry of the present amendment, claims 143-153 will be pending.

The amendments to the specification merely update the priority information and are supported by the claims as originally filed; therefore, they do not add new matter. Regarding the change to the specification on pages 5, 12 and 34 referring to Figure 5-1 to 5-46 in place of figure 5-1 to 5-28, Figure 5 was reformatted such that it spans 46 pages instead of 28 pages as originally filed in the priority application. Accordingly, the above amendments to the specification and claims are respectfully requested.

The Examiner is invited to contact Applicants' undersigned representative if there are any questions relating to this application. The Commissioner is hereby authorized to charge any other fees associated with the filing submitted herewith, or credit any overpayments to Deposit Account No. 50-1355.

Respectfully submitted,

Date: July 14, 2003

Lisa A. Haile, J.D., Ph.D.
